What is Legal Guard?

WHY LEGAL GUARD?

Only half of businesses and 10% of consumers seek help on a legal problem from a solicitor. The main concerns - affordability and ease of access.

Johnson & Boon's membership subscription, Legal Guard, solves both those problems by providing the legal support you need, when you need it.

The Legal Library

Choose from a wide range of legal document templates and enter your specific details online to make them fully customised for your business or personal needs.

The library includes template letters, agreements and contracts and Court forms, along with guidance notes on how to complete them.

As a Legal Guard member you are already aware of the variety of benefits that being a member provides and are therefore perfectly placed to identify others around you who may also benefit from becoming members themselves. We appreciate every member who recommends our services to others and so we want to reward members for their efforts.

As a current Legal Guard member, you have an opportunity to sign up to become a Legal Guard Associate under our '*Referral Scheme*' which enables you to promote the Legal Guard membership in return for commission. Becoming a Legal Guard Associate is completely free.

When you sign up as a Legal Guard Associate you will be granted access to the Associate area of the website where you can find pre-approved materials and guidance which can be used to help you accurately explain the membership to people you wish to introduce to us.

You will also be provided with your unique sign up code which can be given to anyone that you introduce to become a member. They will enter the code when signing up which allows us to identify that the new member has signed up following an introduction from you and credit for the new member will then be allocated to you.

The Referral Scheme

The Referral Scheme

For every month your introductions remain a member you will receive 18% of the net Membership fees paid. This will continue for as long as you are both still paying members.

<i>Each Premium Member will earn you</i>	–	£3.60 per month
<i>Each Premium+ Member will earn you</i>	–	£5.40 per month
<i>Each Platinum Member will earn you</i>	–	£5.99 per month

In addition, if a member that you introduce pays us to carry out additional work that is not covered by their membership, you will receive additional commission. Full details are contained within the Associate Terms and Conditions.
